

Ukraine war: ranking of Ukraine's biggest supporters (until 31 October 2023; in billion euros)

Ukraine Russian war

USA and Great Britains financial expenditures

Turkey exist rumors, that Turkey finance Russian expenditures for Ukraine war, a significant factor for irregular payments is Russians slow war against Ukraine, more a condition of regulary (monthly) payments from third country (Germany, European Union). Furthemore USA is the most paying country with 70 Billion USD.

Payback Germany expenditures

GNI increase at 2023 about 600 Billion USD first time in history since 1923. 600 Billion outland capital without purpose of use. Furthermore it exists rumors, that Turkey refinance Germany expenditures to Ukraine. A high value of financial support to Ukraine tempts USA and Great Britain to more financial expenditures to Ukraine, during German expenditures were refinance from Turkey over EU-TV Fees payments program about ca. 80 Billion EUR per year which were regular stolen from Turkish goverment.

Refugees and Labor Market Europe

There aren't existing death statistic from soldiers and civil victims, but about 6.000.000 refugees to Europe (source UNHCR). 2012 Turkey's military attack to Turkish democracy with the target to quit opposition manager and employees in key positions without any substitution, filled with AKP members as manager, increase their income factor 3-4 times and employees job with refugees.

Syrian war, Turkey army attack to society, Ukraine war, refugees cheap labor market. Three examples with same conditions for cheap labor market to Europe a refinance country Germany and two most financial supporter to Ukraine USA and Great Britain. USA and Great Britain Germany's two enemies of second world war and Great Britain Turkey's enemy from first worldwar.

Pay for your history, send Germany cheap employees from Ukraine with bad condition and less expectations, quit long term foreign employees Turkey and foreign countries with high financial claims to pension, reduce them pension with Hamas, Al Qaida and Taliban infrastructure regular burnings with radioactivity from harbour Yalova quit from job, steal them insurance payments, reduce pension from 3200 EUR to 1000 EUR and post to their countries.
